Keara-

I wanted to get in touch with you on Friday, but things got hectic and that never happened. Is the [REDACTED] case still scheduled for trial today? How likely is it to go? I ask as I'm also on call for a case in Springfield and one in Westfield, and didn't want to go all the way to Wareham for something that isn't going. Please let me know ASAP if you actually need me and I'll pack up and leave. Thanks.

I am prosecuting the above-referenced case in Wareham District Court. Could you please provide a copy of your CV and lab notes to provide to the defense in discovery? The drug certificate numbers are [REDACTED] and [REDACTED]. The case is scheduled for trial on September 17.

If you have any questions please feel free to contact me.

Thank you,
